→ The Future of Work

Jared Spataro, Corporate Vice President, Modern Work

Tuesday, Sept. 22, 10:00 AM - 10:20 AM PDT
 Tuesday, Sept. 22, 6:00 PM - 6:20 PM PDT
 Wednesday, Sept. 23, 2:00 AM - 2:20 AM PDT

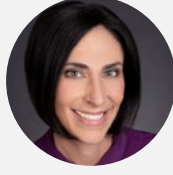

When, where, and how we work is fundamentally changing. Microsoft is in a unique position to understand the secular trends that are reshaping the future of work today, and for decades to come. Learn about the risks and durable trends impacting teamwork, organizational productivity, and employee wellbeing. Jared Spataro, CVP of Modern Work, will share the latest research and a framework for success for every IT professional and business leader to empower People for the new world of work, as well as the latest innovation in Microsoft 365 and Teams empowering human ingenuity at scale.

→ Creating a resilient, inclusive, and hybrid workplace with Microsoft Teams

Nicole Herskowitz, General Manager, Microsoft Teams Marketing

Tuesday, Sept. 22, 11:30 AM - 12:00 PM PDT
 Tuesday, Sept. 22, 7:30 PM - 8:00 PM PDT
 Wednesday, Sept. 23, 3:30 AM - 4:00 AM PDT

Organizations are moving to a hybrid workplace to support the needs of remote and onsite employees. In the 1st part of a 2-part series, we'll demonstrate how teams can stay connected through Teams meetings, virtual events, and calling, along with new device experiences. We'll also show how the Teams platform can help streamline workflows, improve decision making, and integrate your ecosystem of applications directly in Teams.

→ Enabling collaboration, communication, and knowledge sharing with Microsoft Teams, SharePoint, Project Cortex, and more

Jeff Teper, Corporate Vice President, Microsoft 365 Collaboration with Teams, SharePoint, OneDrive

Tuesday, September 22, 12:15 PM - 12:45 PM PDT
 Tuesday, September 22, 8:15 PM - 8:45 PM PDT
 Wednesday, September 23, 4:15 AM - 4:45 AM PDT

Organizations are moving to a hybrid workplace to support the needs of remote and onsite employees. In the 2nd part of a 2-part series, we look at how teams can collaborate fluidly with the latest innovations across Microsoft Teams, SharePoint, and OneDrive. We also look at how organizations can improve employee engagement, communications, and knowledge sharing through SharePoint, Yammer, and Project Cortex.
